

BLUE RIBBON FARMS PROPERTY OWNERS ASSOCIATION  
Board Meeting Minutes  
July 10, 2012

Present: Gary Hendriksen, David Holtz, Jay Sakas, Dave Woodcock, Krys Gordon.  
Absent: Dan Masys, Mike Judd, and Mike Mason.

Meeting called to order at 8 PM by Pres. Gary Hendriksen.

Due to continued activities disallowed by the associations board of directors, a motion was made by Jay Sakas, and seconded by Dave Holtz, that Mike Mason be removed as chair of the airport committee. Motion passed unanimously.

Dave Woodcock was appointed as new chair.

Since parachute jumping is an unsafe practice, which our insurance will not cover, as responsible board members, we authorised Gary Hendriksen to inform the FAA about this activity by Mike Mason.

Dave Woodcock will convene a meeting of the pilots, and work on airstrip maintenance, in particular the irrigation system, with the help of Sanford irrigation company. Up to \$2000 was allocated for that purpose at the previous meeting.

Meeting adjourned @ 9PM,

Respectfully submitted,  
Krys Gordon, secretary.
