

Consider being a Board of Directors Member things to know

The Board is made up of 7 members of our Association, following are the board positions:

- Chairman
- Vice-Chairman
- Secretary
- Treasurer
- 3 At-Large Members

Five (5) Board members have reached term limit. We will be holding an election for these vacancies at the upcoming Annual HOA meeting. Nominations for filling these slots will come from the Nominating Committee, the Board and from the floor during the meeting. The newly constituted Board will then select the individual Board positions (ie Chairman, Treasurer, Secretary etc.). In other words, you will be nominating and electing Board members and not specific positions.
